

## Our Cookie Policy

### Use of Cookie Policy

This Use of Cookies Policy covers all aspects of M Marquees Hire Limited operations.

This website uses cookies to better the users experience while visiting the website. Where applicable this website uses a cookie control system allowing the user on their first visit to the website to allow or disallow the use of cookies on their computer / device. This complies with recent legislation requirements for websites to obtain explicit consent from users before leaving behind or reading files such as cookies on a user's computer / device.

Cookies are small files saved to the user's computer's hard drive that track, save and store information about the user's interactions and usage of the website. This allows the website, through its server to provide the users with a tailored experience within this website.

Users are advised that if they wish to deny the use and saving of cookies from this website on to their computers hard drive they should take necessary steps within their web browsers security settings to block all cookies from this website and its external serving vendors.

This website uses tracking software to monitor its visitors to better understand how they use it. This software is provided by Google Analytics which uses cookies to track visitor usage. The software will save a cookie to your computer's hard drive in order to track and monitor your engagement and usage of the website, but will not store, save or collect personal information.

Other cookies may be stored to your computer's hard drive by external vendors when this website uses referral programs, sponsored links or adverts. Such cookies are used for conversion and referral tracking and typically expire after 30 days, though some may take longer. No personal information is stored, saved or collected.

### Our Google Analytics Cookie Policy

We may collect information about your computer, including your IP address, operating system and browser type, for system administration and in order to create reports. This is statistical data about our users' browsing actions and patterns, and does not identify any individual.

The only cookies in use on our site are for Google Analytics. Google Analytics is a web analytics tool that helps website owners understand how visitors engage with their website. Google Analytics customers can view a variety of reports about how visitors interact with their website so that they can improve it.

Like many services, Google Analytics uses first-party cookies to track visitor interactions as in our case, where they are used to collect information about how visitors use our site. We then use the information to compile reports and to help us improve our site.

Cookies contain information that is transferred to your computer's hard drive. These cookies are used to store information, such as the time that the current visit occurred, whether the visitor has been to the site before and what site referred the visitor to the web page.

Google Analytics collects information anonymously. It reports website trends without identifying individual visitors. You can opt out of Google Analytics without affecting how you visit our site – for more information on opting out of being tracked by Google Analytics across all websites you use, visit this [Google page](#).
